Dear Parents

**RE: ENROLMENTS FROM 2 FEBRUARY 2021**

Saintsburg onsite is closed for new enrolments for 2021 for children aged 13 and older. Children 12 years and younger can still apply.

However, children aged 13-15 can still enrol for Saintsburgonline's digital only packages, see below.

Please also note that applications may take up to two weeks to process. We also cannot start the enrolment process for children not certain about what subjects they want to take.
